These Sales Terms and Conditions ("Terms") apply to your purchase of products and/or services and support ("Product") sold directly by GSA Advanced Golf Simulators LLC ("GSA Golf").

By placing your order for any GSA Golf supplied product – either supplied directly by GSA Golf or any of its suppliers - you "the Purchaser" accept and are bound to these Terms. If you have placed an order but do not wish to be subject to these Terms, you must promptly cancel your order before it is processed and shipped.

1. Payment Terms; Orders; Quotes; Interest

All orders must be pre-paid. Prices not including sales tax and customs duties where applicable. Payment for the product(s) can be made by credit card, check, wire transfer or some other prearranged payment method. Your order is subject to cancellation by GSA Advanced Golf Simulators LLC, in GSA Advanced Golf Simulators LLC's sole discretion. 2. Shipping Charges; Taxes; Title; Risk of Loss

Shipping, handling and taxes are additional unless otherwise expressly indicated at the time of sale. Title to the products(s) shall remain vested in GSA Advanced Golf Simulators LLC and shall not pass to customer until the purchase price for the products(s) has been paid in full and received by GSA Advanced Golf Simulators LLC. Irrespective of title, risk including that of damage and loss of the product(s) shall pass to customer upon delivery to a carrier used by the customer, or on delivery to the customer if GSA Advanced Golf Simulators LLC appointed the carrier. Customer is responsible for sales tax and other taxes associated with the order, unless a valid and correct tax exemption certificate applicable to your purchase of product and the product ship to location is provided. Shipping and delivery dates are estimates.

3. Product Warranty

All GSA Golf cameras come with a full 1 year warranty for both commercial and private customers.

A 1 year warranty for GSA Golf PX2/PX3 optical sensor boards is only available for private - non commercial - customers.

There are no warranties for commercial customers on PX2 or PX3 optical sensor systems unless a commercial license is purchased.

Grass Fiber panels are excluded from any warranty unless found defect on delivery.

Warranties are not transferable! They are only valid for the original purchaser. Warranties are thus void for any purchases of pre-owned or used GSA Golf products.

4. Return Policy & Refunds

While all GSA Golf products are guaranteed to function, GSA Golf does not offer any money back refunds or excepts any products returned for a refund without our prior consent.

ALL SALES ARE FINAL, AND NO REFUNDS ARE GRANTED UNDER ANY CIRCUMSTANCES

5. Order cancellation

As above, all GSA Advanced Golf Simulators LLC products are custom made and/or purchased to order and so we may have considerable costs with any order.

Thusly, order cancellations that require refunds (i.e. customer is not asking for an alternative GSA Golf product) are subject to a 20% fee plus 10% credit card fees for both credit and refunds.

Note that this offer is only valid if the ordered products placed by the customer have not already been made up and/or shipped and will only apply if the order cancellation is made within 7 days of the original order date.

6. Delivery / Lead times

All GSA Advanced Golf Simulators LLC products are normally shipped within 10 days of payment of order.

Once the product order has been made ready to ship, the product is shipped FedEx ground.
